

# Financial Regulations of the AG DSN, Section Gerokstraße

08.08.2014

DISCLAIMER: This is a purely informative translation. It is not possible to derive any rights from this translation. Especially claims against the AG DSN, AG DSN Section Gerokstraße or any member of these associations have to be based on the German original version of this document. Also the AG DSN, AG DSN Section Gerokstraße, and their members are obligated to refer for claims to the German original version only.

## 1 Connection fee

### 1.1 Amount

First time registrations at the AG DSN Section Gerokstraße will be charged a fee of 10 EUR. If you are relocating from another student hostel which Internet is provided by the AG DSN this charge will be omitted under the condition that a verification is present at registration.

### 1.2 Deposit

The connection fee has to be deposit to the AG DSN bank account in the progress of application. This transaction has to happen immediately, otherwise an exclusion from all services provided by the AG DSN will be the consequence.

### 1.3 Utilization

The connection fee is used for financing reparation, maintenance, expansion, and upgrading of active and passive network- and computer technology as well as generating reserve assets for future investments.

### 1.4 Refund

There is no right of a refund for payed connection fees.

## 2 Semester fee

### 2.1 Amount

The Amount of the semester fee is 10 EUR per registered host respectively user devices.

### 2.2 Deposit

Without announcement the semester fee is to be deposit into the bank account of the section in the agreed amount in the first month of every semester (April respectively October). This fee has to be payed for the ongoing semester for new registrations. Notices in the mailbox or by email have to be followed.

The section has the right to exclude any member unannounced from all services provided by the AG DSN if this member has not payed the semester fee within 4 weeks after announcement.

Members who are excluded for not paying have the option to pay the semester fee to enable all services provided by the AG DSN within 4 weeks. Otherwise the access will be terminated permanently.

## **2.3 Utilization**

The semester fee is used for protection and improvement of the network. Resulting surpluses are used for generating reserve assets. A Part of the semester fee is paid to the AG DSN. This part is used for financing a public liability insurance, for coverage of arising costs, and for generating reserve assets. The Amount of the semester fee is subject to the members assembly of the AG DSN.

## **2.4 Refund**

There is no right of a refund for paid semester fees.

# **3 Extra duty**

If important expenses within the section are necessary which cannot be covered by semester fee or assets reserves the members assembly of the section has the right to resolve a extra duty.

## **3.1 Amount**

Extra duties are limited to a maximum of 15 EUR per semester and member.

## **3.2 Deposit**

After announcement through mail, email or news the extra duties have to be deposit in the account of the section within 4 weeks.

## **3.3 Refund**

There is no right of a refund for paid extra duties.
