Procedure to get access

1. Please read these instructions thoroughly.
2. Complete **two** copies of this form and sign each **twice**. The form is explained in more detail below.
3. Put both copies and a copy of your rental agreement in our mailbox or bring them personally to our office (7th floor) during office hours. Usually they will be processed there immediately.
4. Normally You should receive one copy and an access data sheet about one week after submitting Your application. Your access should work by then at latest. Please label Your mail box properly, otherwise we may not be able to deliver it and have to suspend your access to the network.
5. Transfer the semester contribution within 31 days to our bank account.

Form Instructions

Application for membership or Notification of moving If you have never been a member of an AG DSN division, check Application for membership, else check Notification of moving and indicate the dormitory and room number of your previous location.

Last name, First name, Date of Birth, etc. We need this to identify you. Only in case of abuse we are required to forward this data to the ZIH or the authorities.

Dormitory, Romm No. Borsbergstraße, Gerokstraße, Hochschulstraße, Wundtstraße and Zellescher Weg may be abbreviated to "Bor", "Ger", "HSS", "Wu" and "ZW" respectively. Make sure to specify the complete house number and room number.

Desired User Name You can pick your user name freely. It may contain 3 to 22 characters (letters, numbers and underscores), however it must start with an letter. You need it to login in to our website and the other services we offer, together with the password, which you will receive after the registration and may change of course. Furthermore it is the local part of the e-mail address, you get (<name>@wh10.tu-dresden.de).

MAC Address Each network card has a unique identifier, the so called MAC, Ethernet or physical address. Only devices registered via their MAC address are able to establish a connection from your room, with your IP address. A MAC address is a twelfth digit, hexadecimal number (digits 0-9, letter a-f), often divided by hyphens or colons and looks, for example, like this: 00:12:6B:9F:20:CC.

Please note, most computers have multiple network cards/adapters (maybe even virtual ones), we need the address of the Ethernet adapter or Local Area Network connection.

Windows 2000 or newer 1. Press  + . 2. Type cmd and . 3. Type ipconfig /all and . 4. Find the Ethernet adapter. 5. Read the Physical Address.

Mac OS X 10.5 or newer

1.  > System Preferences > Network > Ethernet
2. Advanced > Hardware > MAC Address or
Advanced > Ethernet > Ethernet-ID

BSD/Linux 1. Open a terminal and type `ifconfig -a` and . 2. Read ether or Hwaddr of the Ethernet interface (eth0, em0, r10 or similar).

Signatures By signing this application, you accept the referred statutes and regulations. You can inspect these on our website or in our office.

Further Information

Connecting to the Network Just connect your equipment to the port in the wall. We recommend to obtain the network configuration automatically:

Mac OS X 10.5 or newer

1.  > System Preferences > Network > Ethernet
2. Configure > Using DHCP

Windows 2000 or newer

1. Press  + .
2. Type control netconnections and .
3.  your Local Area Connection.
4. Properties > Internet Protocol Version 4 (TCP/IP)
5. Properties > Obtain an IP Address automatically

Semester Contribution As a member you have to transfer a semester contribution (currently 15 EUR) each semester to our bank account. Paying cash is not possible. If you are applying for membership as a new member, you have to transfer 20 EUR application fee in addition.

The contribution is due at the beginning of each semester of TU Dresden (October and April respectively). You have 31 days to pay, otherwise your access will be suspended temporarily and a late fee (currently 2.50 EUR) will be charged.

Beneficiary:	Studentenrat der TU Dresden
Account no.:	3120 241 864
BLZ:	850 503 00
IBAN:	DE 71 850 503 00 3120 241 864
BIC:	OSDD DE 81 XXX
Amount:	35 EUR
Description	User-ID, Last Name, First Name, Dormitory/Room

You can find the User-ID on the access data sheet or the traffic overview page on our website.

Multiple Devices/WiFi If you want to use multiple devices or WiFi, you have to deploy a (WiFi) router.

Traffic limit Since the primary purpose of the network is research and education, there is a traffic limit (currently 3 GiB) per day. Excluded are connections within the student network, to the TU Dresden and the HTW Dresden, but not their VPN and login servers. Any unused data volume will be saved till a maximum number of 63 GiB. You can always check your traffic at

<https://www.wh10.tu-dresden.de>

The day changes at 00:00 UTC, i. e. 01:00 and 02:00 in the summer.

Changing the MAC-Address If you want to use a different MAC address, just tell us (see Contact Us).

Moving Out Temporarily If you move out temporarily, e.g. for an internship or a semester abroad, please let us know (see Contact Us). During your absence, your status will be set to "away" and you have to pay only the reduced semester contribution (currently 1 EUR).

Subtenants You pay for membership, not for network access, therefore subtenants must become members as well and are not allowed to simply use the main tenant's network access. Remember: If you let someone else use your network access, you are liable at first for his or her actions.

Moving between AG DSN serviced dormitories If you are moving within AG DSN serviced dormitories, you use this form as well, but check "Notification of moving".

Moving Out/Resign Just inform us, if you are moving out and want to resign (see Contact Us).

Contact Us If you have any questions or problems, write an email to borsi-org@wh10.tu-dresden.de, approach an admin in your dormitory directly (refer to the poster in your dormitory) or come to our office at 7th floor. Our office hour are Wednesday from 8 to 9pm. Office hour may change during semester break, please see our website or posted notices at our office.

Please note, that we perform changes to your account only if you provide a photo ID, or, if you are communicating via e-mail, are using your AG DSN e-mail account.

Participate

The student network was created by students like you and is managed and extended by volunteers. If you are interested in our work, stop by and take a look. You don't have to study computer science or the like to participate. Many interesting tasks are waiting in the areas of managing of network and computing equipment, software development and maintenance, finances, administration, legal matters and public relations. Aside from good references for your CV you get insights in cool equipment you typically won't get your hands on. We would be very glad, to welcome you in our team. Just come to our office hours or our weekly meeting, Wednesday 20:00, in our office.
